

## ASX ANNOUNCEMENT

1 December 2021

### HALF YEAR ACCOUNTS - UPDATE

In relation to the recent ASX release regarding its suspension for failure to lodge half-yearly accounts, Cipherpoint Limited [ASX:CPT] wishes to advise that the lodgement delay is primarily due to the finalisation of the technical application of accounting treatment/principles to matters associated with Cipherpoint's acquisition of Brace168 and the disposal of its Cp.Protect assets - both of which occurred during the half-year. Cipherpoint is in the process of finalising the half-yearly accounts and expects that lodgement will occur shortly and trading in its quoted securities on ASX will resume thereafter.

This announcement has been approved for release by the Board.
